persons who are to respond to the collection of information that such persons are not required to respond to the collection of information unless it displays a currently valid OMB control number.

Food Safety and Inspection Service

TITLE: Modernization of Swine Slaughter Inspection

OMB CONTROL NUMBER: 0583-0171

SUMMARY OF COLLECTION: The Food Safety and Inspection Service (FSIS) has been delegated the authority to exercise the functions of the Secretary (7 CFR 2.18, 2.53), as specified in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601, *et seq.*). This statute mandates that FSIS protect the public by verifying that meat products are safe, wholesome, unadulterated, and properly labeled and packaged.

NEED AND USE OF THE INFORMATION: FSIS will collect information to ensure that all establishments operating under the New Swine Slaughter Inspection System (NSIS) monitor their systems through microbial testing and recordkeeping. Establishments operating under NSIS are required to (1) identify animals or carcasses that establishment personnel have sorted and removed for disposal before FSIS inspection with a unique tag, tattoo, or similar device, (2) maintain records to document the total number of animals and carcasses sorted and removed per day and the reasons for their removal, and (3) maintain records documenting that products resulting from their slaughter operations meet the new definition of RTC pork product.

Furthermore, FSIS will collection information to ensure that each establishment operating under the NSIS submit on an annual basis an attestation to the management member of the local FSIS circuit safety committee stating that it maintains a program to monitor and document any work-related conditions of establishment workers.

DESCRIPTION OF RESPONDENTS: Business or other for-profit
